Community forum: Reducing the wildlife road toll

Friday February 23 2024

2pm – 5pm

Newham Mechanics Institute

Macedon Ranges Shire Council is proud to be hosting a community forum to discuss strategies to reduce the rising wildlife road toll in our region.

Speakers include:

- Lisa Palma, CEO, Wildlife Victoria
- Dr Kylie Soanes, wildlife ecologist, The University of Melbourne
- Macedon Ranges Wildlife Network
- Eng Lim, Manager Engineering and Resource Recovery, Macedon Ranges Shire Council

Please note: this event will be recorded.

Subscribe to our Environment Enews, and stay up to date.

This community forum has been inspired by the Wildlife Victoria-led Wildlife Road Toll Reduction Project, with Macedon Ranges Shire Council, Bass Coast Shire Council and City of Greater Bendigo.
